SUMMARY

Front-end Developer skilled in creating intuitive, responsive websites and applications using HTML, SASS, and JavaScript/TypeScript, as well as libraries & frameworks such as React and Next.js. Personal experience in branding and have developed my own personal brand through various social media platforms, where I share my personal projects and insights on the latest trends and techniques in front-end development and design.

TECHNICAL SKILLS:

- **Front-End Technologies:** HTML5, CSS3, SCSS/SASS, JavaScript, TypeScript, Visual Studio Code, Vite.
- **Back-End Technologies:** Express.js, Node.js, REST API Architecture, HTTP Requests.
- **Design Principles:** User Experience (UX) Design, User Interface (UI) Design, System Design, Responsive Web Design, Mobile-first Design.
- **Frameworks & Libraries:** React.js, Next.js, TailwindCSS.
- **Version Control:** Git

TECHNICAL EXPERIENCE

REST API Development - *TypeScript, REST Architecture, Back-End Development, HTTP Requests, Express.js, Git*

- Developed a RESTful API using TypeScript, Express.js, and Node.js, implementing best practices for architecture and HTTP requests.
- Developed familiarity with HTTP requests to handle calls to the API efficiently and prevent potential errors.
- Implement API documentation to enhance clarity & convenience to correctly navigate and use the API.

Website Design & Development - *HTML, SCSS/SASS, TypeScript, Next.js, Netlify, Google Domains, DNS*

- Designed, developed, & deployed my own website showcasing my projects and skills as a developer.
- Incorporated Google Analytics A4 to monitor and increase website traffic by 200% and steadily increase weekly page views by 15%.
- Promoted my website to various social media platforms, such as LinkedIn, Instagram, and Twitter to increase traffic and exposure among users, companies, and various developers.

Front-End Development - *HTML, SCSS/SASS, JavaScript, React, TailwindCSS, Third Party API's, Git*

- Completed a series of Front-End challenges using various front-end tools & languages.
- Developed multiple front-end mock websites using design files and assets to simulate real world front-end practices.
- Adhere to specific design specifications to produce accurate applications to simulate client-side design satisfaction.
- Developed interactive and user friendly applications using React.js and SCSS/SASS that incorporated UI/UX design principles.

PROFESSIONAL EXPERIENCE

Logistics Specialist

09/2021 - 12/2022

Frontier Supply Chain Solutions Inc.

- Utilized software systems to track and monitor shipments.
- Communicated with commercial drivers and vendors to ensure accurate and timely delivery of goods ensuring clearance that took no longer than 2 days.
- Cleared over 200+ commercial freight deliveries crossing state borders, with an average of approximately 10 deliveries a day.

Sales Associate

11/2018 - 07/2020

Zara Inc.

- Streamlined check-out process by utilizing efficient floor maintenance techniques resulting in 50% increase in productivity amongst team members.
- Effectively increased productivity by 20% training new employees on daily store tasks and procedures.
- Delivered daily revenue consistently within budget parameters through effective shop organization & sales promotion during peak hours, amplified reach by 25%.

EDUCATION

Shoreline Community College – Shoreline, WA

Purchasing, Procurement/Acquisitions and Contracts Management

09/2021 - 01/2022

- Total Cost Ownership (TCO) principles.
- Developing business contracts between clients and partners that addresses legal requirements and intellectual properties.
